

OPEN AN In-Office Cafe STAFFED BY 321 COFFEE

For our most immersive option - open a 321 Coffee onsite to bring the baristas along with the coffee. We will staff and manage an in-office cafe for your employees to celebrate inclusion on a daily basis.

321 X PENDO METRICS

On days you are in the office, how often do you visit the 321 shop?

5 = every day, 1 = never

Average - 3.91 | Median - 4.5

321 Coffee enhances my daily experience in the office.

5 = strongly agree, 1 = strongly disagree

Average - 4.9 | Median - 5

HEAR WHAT PENDO EMPLOYEES ARE SAYING...

1

I am proud of where I work because of 321 Coffee

"It's a point of pride for me knowing that my office has a 321 Coffee bar. It's the first perk I tell people about when I talk about working at my company."

"It speaks volumes to your team that you support a local business and their cause alone. The energy their team brings is infectious and adds a positive vibe to the place of business."

2

I come to the office more often because of 321 Coffee

"321 is absolutely the highlight of my day when I come into the office. Having y'all in the office also provides an additional incentive for me to come in."

"I think 321 Coffee is a great addition to an office! I think it's a fantastic incentive if businesses are looking for ways to encourage employees to return to the office. It certainly factors into my decision-making."

3

321 Coffee Builds Culture

"321 is absolutely the highlight of my day when I come into the office. Having y'all in the office also provides an additional incentive for me to come in."

"It's a great idea! The staff is friendly, the coffee is great, and it brings happiness and sunshine to the office experience!"

4

Just Do It!

"Do it! I love the variety, the people are great, and I honestly can't imagine our new office without 321."

"Just do it. The folks who run this outfit are the best."

"Don't think twice about it!"
